

# Empathetic Response Leads

Here are some phrases you can use as an active listener. These are only examples. Remember to use language that fits for you!

Kind of feeling ...

Sort of saying ...

As I get it, you felt that ...

If I'm hearing you correctly ...

To me, it's almost like you are saying, "I ..."

Kind of made you feel ...

The thing you feel most right now is ...

So you feel ...

What I hear you saying is ...

So, as you see it ...

As I get it, you're saying ...

What I guess I'm hearing is ...

You place a high value on ...

So, from where you sit ...

Your message seems to be that ...

Listening to you it seems as if ...
